Video Analysis

Winter Update

- Program concludes on March 12.
- Member survey of Winter Program for coaches and players whom participated in the program.
- Report to Board upon conclusion of program that highlights areas for improvement, and what worked well.
- Travel/Academy invitations sent to winter invitational players whom coaches have identified as travel ready.
- Train-Only invitations sent to players for whom we do not currently have a travel team for, but will be able to incorporate into the travel program at spring tryouts, following the USSF age changes. For example, we have 3 girls with 2003 birth-dates, and are currently too old for our U12G team, but will be eligible with the new age changes in the fall.
- Requests have been made by players/families for summer futsal. I believe the technical progress we've seen with our players is indicative of how helpful a summer futsal program could be. Would the board be interested in a proposal for 1-2 nights of futsal per week over a portion of the summer? The focus could be strictly open-play or we could do a skills night. I'm open to all ideas.

President

Culpeper Soccer Club
